

# THE PROFILE

## **The Firm**

R.C PARTNERS is an accountancy firm serving both domestic and international businesses for more than 15 years. The firm believes in timely delivery of assignments and commits to provide effective solutions to clients. High professional ethics and continuous innovation in our services are inseparable part of our values.

## **Our Mission**

To contribute to a better world through the accountancy profession. A world for which, we will be proud of.

## **The Network**

R.C PARTNERS is an independent member firm of XLNC, a Switzerland -based network, having interest in more than 37 countries. The network has over more than 152 offices across the world and supported by the shared resources and experiences of more than 3,053 professional staff.

R.C PARTNERS has also established solid relationship with a network of service providers such as, management companies, banks and other institutions in both global and domestic sectors.

## **The Partners**

Mr Cunden Rengassamy is a Chartered Certified Accountant for more than 26 years. He holds an MBA and is a qualified Certified Fraud Examiner, USA. Further, he is a qualified Trust and Estate Practitioner (TEP) and possesses a Diploma in Fund Administration. He has an extensive experience in auditing, taxation and advisory services, serving both domestic and global clients.

Mr Ashif Peeroo is a Chartered Certified Accountant and holds a Bsc in Accounting & Finance. Ashif has engaged in the accounting profession for more than 26 years providing accounting, taxation and consulting services. He has considerable experience in preparing feasibility study and assisting project development from foreign investors.

## Staffs

R.C PARTNERS has committed employees, specialising in their respective lines of service. Staffs are carefully screened to ensure that they can deliver a dedicated service to our clients. Strict compliance with the ethical codes of the profession and continuous professional development are embedded in our culture.

Staffs are mainly ACCA holders having experienced in various sectors such as global business, manufacturing, technology, financial services, tourism and others.

## Our Services

- **Accounting**

- 

R.C PARTNERS has a team of accountants that can offer the services of day-to-day bookkeeping, accounts' preparation, payroll, preparation of business plan amongst others in the most cost-effective manner. We give much weight to personal attention and on-time service delivery.

R.C PARTNERS ensures that management executes its stewardship function properly through due compliance with the Companies Act regarding preparation of accounts, reporting and keeping of records.

No need for having a full time staffing and permanent accounting department when DFK-r.c partners can supplement your team or you can outsource your work to us.

## Our Services

- **Audit & Assurance**

- 

R.C PARTNERS has a long experience in the audit of various types of entities, particularly global and other international entities. With the experienced team of audit professional, DFK – r.c partners assures an on-time delivery of assignments with due compliance with the International Standards of Auditing of IFAC.

Our quality of service is reviewed annually by the DFK International and, as a licensed auditor, our files are subject to verification by the Financial Reporting Council.

We are conscious of the trust people have in our audit report and every care is taken to execute our responsibility ethically and objectively.

- **Secretarial & Corporate Services**

- 

With the instability and continuous new regulations in the financial world today, compliance has become, without doubt, an important element for businesses.

R.C PARTNERS offers corporate secretarial services for incorporation of companies, submission of annual return, preparation of minutes, deregistration of companies, opening of bank account and filing of the necessary changes of company officers with the Registrar of Companies.

Good corporate governance and compliance with the financial laws and regulations, such as, The Financial Intelligence and Anti-Money Laundering Act are ‘necessities’ contributing to the good reputation of an enterprise.

## Our Services

- **Taxation**

With the pressure of OECD countries and even locally, raising tax revenue has become an important issue. It has become common nowadays for international companies being sued for tax evasion. It is, therefore, more than ever, for firms to engage in an effective tax planning. Entities need to be well advised and fully compliant with the applicable tax laws.

R.C PARTNERS assures that your business is fully compliant with the Income Tax Act and other regulations.

Our tax accountants are well equipped to provide the computational and compliance skills for income tax, VAT, duties and other type of taxes. DFK – r.c partners has regular clients, both locally and internationally for providing tax opinion, advisory and planning strategy.

We are involved in assisting clients to understand and comply with the complex provisions of CRS and FATCA.

- **Consulting, Advisory and Forensic Accounting**

The business world is facing more and more challenges nowadays where ‘change’ is the only constant. Business models need continuous adaptability and agile approach to deal with the disruptive trends.

R.C PARTNERS takes an active part in understanding your business and making an ‘out of the box’ thinking so that you obtain the best strategic solutions to your business.

Consulting and Advisory services may involve, amongst others, advice on the sophisticated structure for your business, such as, PCC, trust, foundation etc to providing family office’s services and Estate management.

R.C PARTNERS acts as a facilitator in terms of preparation of feasibility study and Project Management to investors wishing to invest in Mauritius and assisting in the procedures for obtaining residence permits.

Fraud and irregularities committed by employees and others could poison the financial continuity of an enterprise. As a Certified Fraud Examiner from USA, Cunden Rengassamy leads a team of professionals to undertake investigations on fraudulent transactions together with providing advice on risk management and implementation of the appropriate 'check and balances'.

## Our Services

- **Investment Fund Accounting**

Investment Fund requires professional of high integrity and trust to provide proper comfort to investors. Collective investment fund which comprises private fund, Index fund, hedged fund and mutual fund, requires close monitoring and effective reporting.

R.C PARTNERS has the know-how to provide the assurance to investors in computing NAV, preparation of accounts and financial analysis of results. We have the resources in terms of sophisticated software and experienced investment fund professional to deliver a proper service for which investors can rely.

- **Insolvency**

R.C PARTNERS has the team of professionals that could act as liquidators, receiver manager and administrator in accordance with the Insolvency Act 2009. DFK – rc partners has a dedicated team to cater for winding up procedures from start to finish, by ensuring that the interest of the creditors and other parties are protected.

- **XBRL – TAGGING**

Our team has the expertise to convert your Financial Statements into the appropriate iXBRL format. We provide you with:

- iXBRL Tagged accounts that fully comply with the Online Filing requirements for your Company Tax Returns ahead of submission
- Quality assurance that your Tagged accounts are in line with XBRL Specification Guidelines and the new FRS & IFRS Tagging Regimes
